We are all ourselves.

*Life is its
own complex*

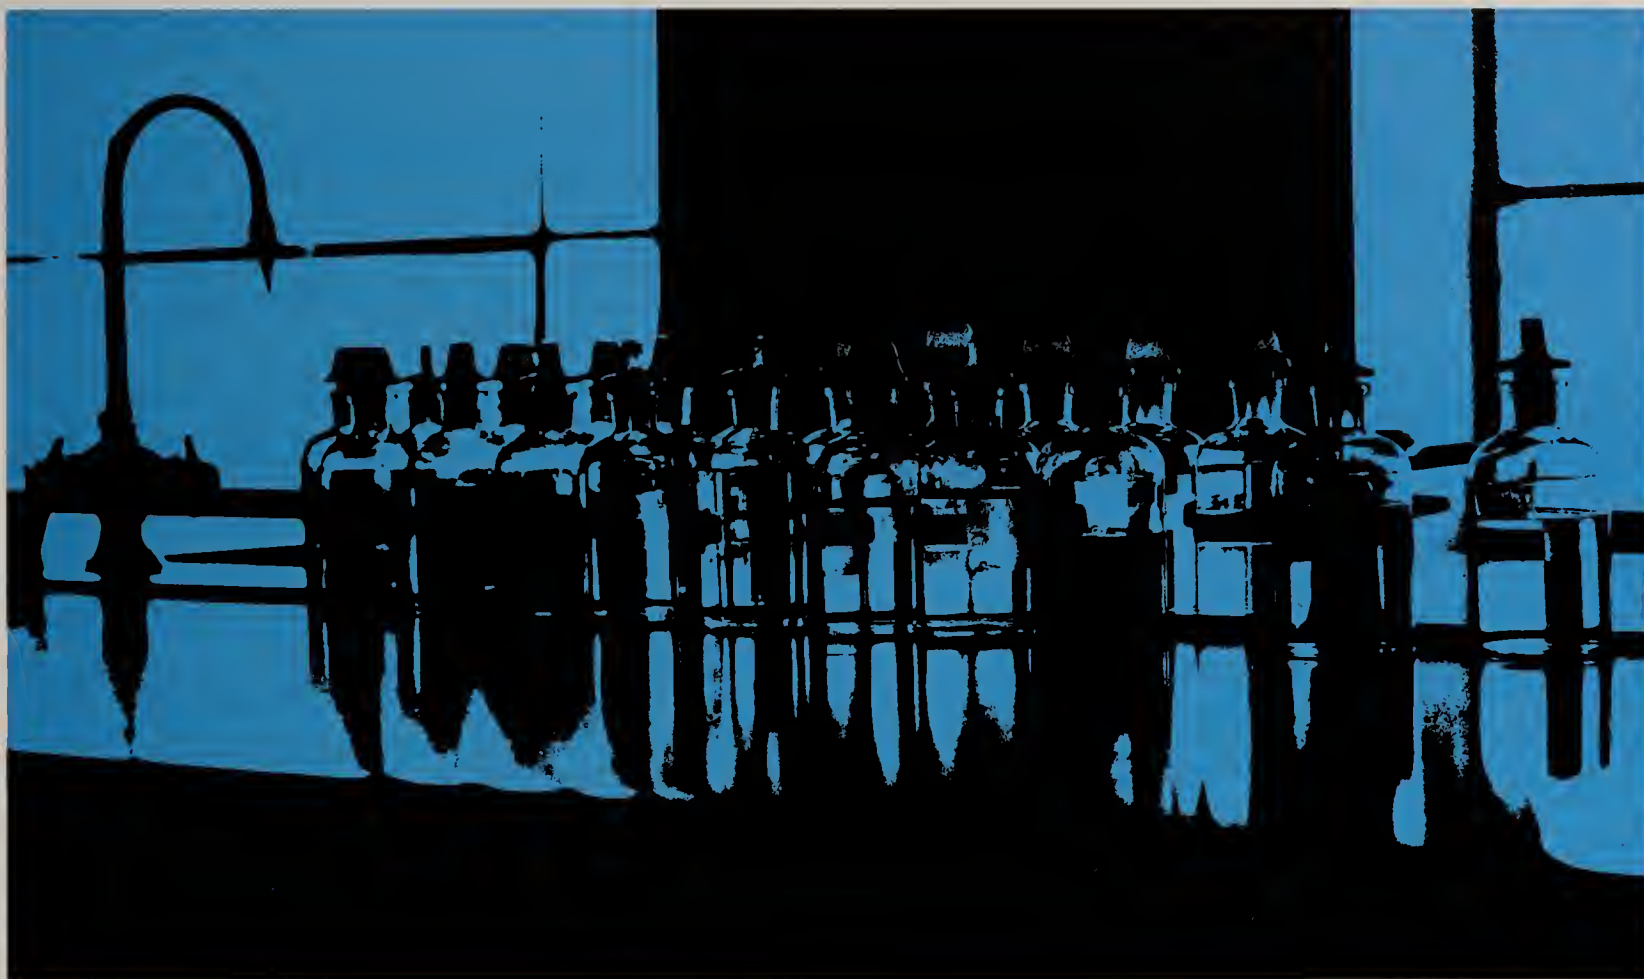

*of many delicately
interwoven parts
that come to form
the whole.*

Each part made up of

related things or ideas

*They all
form a
unity*

*but nothing
is rigid.*

The Ability to think

yields contrast.

Feeling

Stone eggs never
hatch — stone hearts run
open

being,

understanding,

We Discover Ourselves.

We seek answers

and question the answered.

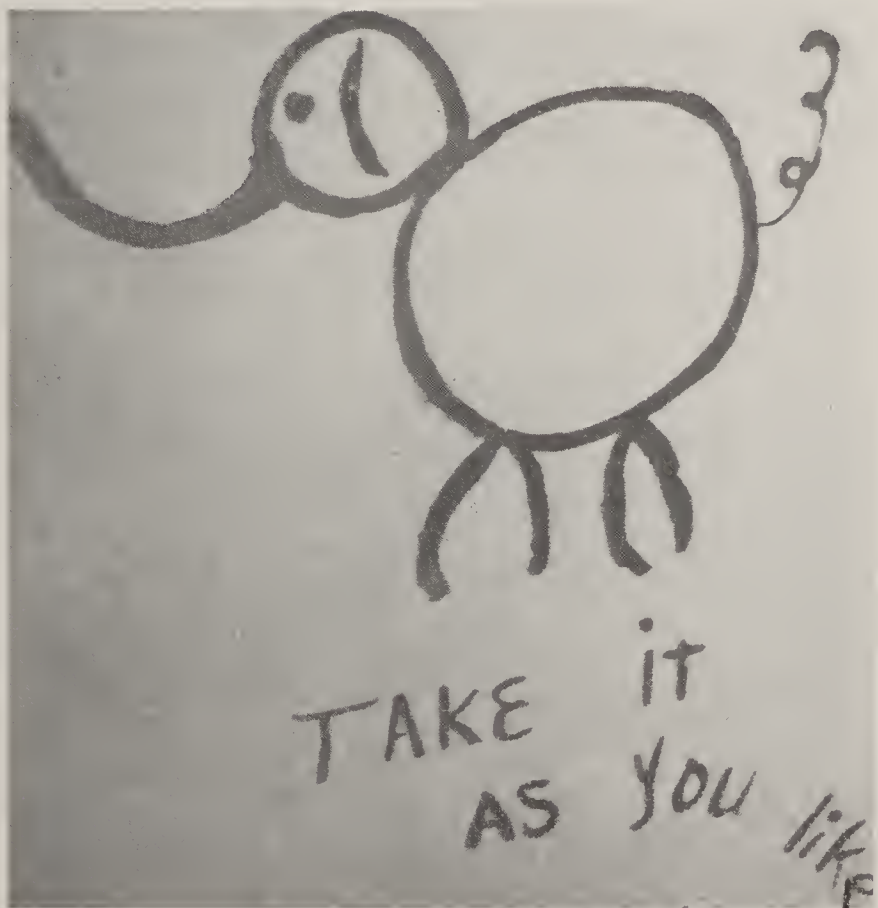

i want an answer—
i want a question—
i want peace—inside

We can be what

we allow ourselves to be.

Dedication

Dr. Netzer became President of Oneonta State University College on February 1, 1951 succeeding Dr. Charles Hunt, who had been President since 1933.

A native of Crookston, Minnesota, his educational background includes undergraduate degrees from the State Teachers College, Bemidji, Minnesota and the University of North Dakota, and both his M.A. and Ph.D. degrees from the University of Iowa.

He began a 43 year career in education as a junior high school teacher in Thief River Falls, Minnesota, was a teacher-principal in an Iowa City Elementary School and for two years a Research Assistant at the University of Iowa.

From 1937-39 Dr. Netzer was an Associate Professor of Education at the Teachers College in Tempe, Arizona and in 1939 went to Geneseo State Teachers

College as Director of Education, a position he held until 1949 when he became Dean of the College. Two years later he was selected as President of the then State University Teachers College at Oneonta.

During his 19½ years as President, the college grew from 700 students to 4500, and saw 30 buildings constructed which include the entire upper campus complex excluding Morris Hall.

Dr. and Mrs. Netzer, noting that they have lived in Oneonta longer than anywhere else, plan to remain in Oneonta. Dr. Netzer has been very active in community activities.

We salute you and thank you for spending your time with us. We can only hope we may find someone who is close to your caliber as a leader, educator and person.

Administration

Dr. and Mrs. Craven

Acting President

I hope this yearbook symbolizes for you a good year in your life — one in which this special environment helped you grow and learn in keeping with the function of a college.

If it failed to do this, I hope you feel the fault was not entirely that of the college and that you will be able to make up your losses.

If this was a valuable year it was obviously not entirely due to the virtues of the college — though it does offer much of value. It was due to your own receptivity to experience. Never let this quality slip away — because with it you will forever learn.

As you complete another phase of your lives and go forth to meet new challenges, may you have the perseverance and the wisdom necessary for success in your endeavors. Your years at SUCO have been years of change both for us and for you. I'm sure that SUCO is a better place because of your efforts, and I hope that you are a better person because of our efforts. In the years ahead keep in touch with your Alma Mater, for SUCO needs the services of loyal alumni. Together, alumni, students, and faculty can build a better college for future generations.

Dean of Students

As you leave Oneonta, you take with you thoughts and experiences accumulated over a momentous four year period. The days you have lived here have been full ones. Hopefully these experiences will help you to make our world a better one. I think this is what education is all about. Leave here not so concerned with what you have done but rather be concerned with all that is left to do.

I personally identify with the Class of 1971. In a sense we began together in our own ways to build a better college at Oneonta. We have grown in many ways: in size, in prestige and within ourselves. Our pride and hope for the future lies within each of you.

Admissions

Seated: Georgianna Slanski, **Standing:** Joseph Blaber, Sandra Cohen.

The Admissions staff works very hard, with 9,000 applications. A student with a high eighty average is accepted without hesitation. We'll take about 800 freshmen next year, but transfers we'll take in too.

So if you can't make it as a frosh, there are transfer possibilities for you.

Despite the rumors that you hear, of ratio six women to a man, We're doing our best to better that, girls, and it's two to one now as the plan.

A new application from the State of New York has caused certain problems this year,

So we're loaded with work and needless to say, we can't see the end very near.

But the students keep coming to see our campus, in the Catskill Mountains each day.

If they come in the summer, fall or spring they are sold, in Winter they may decide nay!

One thing's for sure as we do our job, and it's that the times are a changing.

And if campus unrest is among us this spring — we'll be in room 110 a hanging!!

Health Center

The College Health Service at SUCO is a fully accredited health service and is certified as such by the American College Health Association.

Art

The Art Department is composed of a complex of well equipped studios, planned to serve a broad selection of specializations. Adjacent to the studios is a major Art Gallery and Sculpture Court.

The Art Department considers its annual program of art exhibitions to be important in supporting and extending the facilities of the department. The Annual Student Art Exhibition is an occasion that attracts much interest.

The department offers two majors and two concentrations: The Liberal Arts degree in Art History and in Art Studio. Students in Elementary Education may concentrate in Art at the undergraduate and graduate level.

The versatility of the music faculty provides for expert instruction in all phases of musical performance, from solo work to large ensembles. In addition, the department provides for study in depth in music theory and in the history and literature of music. The music curriculum is designed to meet the needs of the total student body, from the non-musician to the liberal arts music major.

The modern Fine Arts Center, with its practice and rehearsal rooms, teaching studios, listening center, public performance areas and other excellent facilities, has become a hub of musical activity not only on the SUCO campus but also for the surrounding area.

The English department consisted of forty-one members during the 1970-71 year, although several were studying or working off-campus. For the first time the department placed student teachers in Rockland County with an off-campus supervisor.

The department reorganized its course offerings introducing greater consistency and flexibility as well as several new courses. One new course, science fiction, proved to be especially popular, although most changes in the program did not go into effect until 1971-72.

Faculty members continued to publish and edit as well as teach. Mr. James's anthology of short stories by black Americans was a popular text. Mr. Casey took over as editor of the *English Record*, the official journal of the New York State English Teachers Council. He also founded the *Carleton Newsletter*, devoted to the life and works of the 19th century Irish writer.

Home Economics

Seated: Barbara Weigand, John Haven, Judith Dawson, Joan Cassily, Rose Henderickson, Mukta Buckley, Mable Merrill, Barbara Jamba, Jean Weaver, Frances Bliven. **Standing:** Julia Kilpatrick, Helen Trader, Ronald Thompson, Florence White, Corine Maxon, Jean Hillson, Julia Boleratz, Peggy Marcus.

The Home Economics Division is justifiably proud of the reputation earned for it by its highly competent graduates in Home Economics Education. This year has seen an increase in interest in the General Home Economics Major, especially among transfer students. The most noticeable change in the Division is the increase in number of men who are majoring in Home Economics. The children in the Cognitive Development laboratory and men in the Family as Consumers class makes apparent the family focus of the discipline.

The Physical Education department has accomplished the following things in the past year:

- 1 Awarded All-Sport Trophy for all-around excellence in Men's Athletics as represented in SUNYAC.
- 2 Additional courses offered in basic curriculum selection.
- 3 Additional use of college camp for winter sports.
- 4 Continued growth intramurals for both men and women.
- 5 Miss Joan Kingsley awarded Doctorate in Physical Education.
- 6 Miss Lee Abbott becomes national authority in Kyack Coaching because of her experience in U.S. Olympic Team work.

Philosophy

Ashok Malhotra, Anthony Roda, Paul Collins, Neil Shandalow.

Since September 1970 the Department of Philosophy has offered a major in Philosophy for SUCO students. This major program is designed for students who have a strong intellectual commitment to understand and analyze the ideas which have shaped the development of both Western and Oriental Civilizations; students who desire to inquire into the foundation and structure of the various enterprises of man, such as art, science, and morality; students who elect a double major with primary emphasis in the physical, biological, or social sciences, or in literature or history; and students who have a strong intellectual motivation, but who are disinclined to commit themselves to a subject-oriented major at this stage of their intellectual development.

Psychology

Starting in September 1970, a new Psychology Department was formed in the Liberal Arts Program. Several faculty members transferred from the Education Department, in addition to four new members being hired. The course offerings are undergoing an extreme revision, many new courses being introduced. Extensive utilization of the excellent teaching laboratory is being developed.

Student representatives have been invited to departmental meetings. Requirements for majors were made more liberal, course prerequisites lowered, and a new "track" system is being developed to advise those who plan to go on to graduate school as well as those who do not.

Standing Back row: Gary McClure, Douglas Bloomquist, Richard E. Stafford, Chairman; Marc Miller, Jesse Bennett, Foster Brown, Lesley Diehl, Irving Kadash. **Bottom row:** Ann Wolfgang, Muriel Beattie, Jack Iverson, Ray Rainville.

The Educational Psychology Department is a new department which was initiated in September, 1970. It is within the Division of Education and its primary functions are to provide courses for teacher education programs and to administer and provide courses in the concentration in educational psychology in elementary education. The department is currently planning for master's level programs in two or three areas of educational psychology and hope to be able to initiate such programs in September, 1972.

In the past six years, The SUCO Mathematics Department has been the recipient of two State Education Department and four National Science Foundation Institute teaching grants, and this summer will again host a National Science Foundation Institute. Individual faculty members in the Department have consistently earned special research grants, and this year have received support for three separate studies under the sponsorship of the State University Research Foundation.

Earth Science

Arthur Palmer, Philo Wilson, Robert Simmonds, John Kepper, Desmond Bailey, P. Jay Fleisher, John Sales.

One of the outstanding events for Earth Science in its first full year as a separate department consisted of receiving approval from the SUNY Central Office to offer separate Liberal Arts majors in Geology and Meteorology in addition to its general earth science offering. Oneonta is the first of the four year schools to obtain this authorization, and a number of the 50-plus majors are already taking advantage of the new options. Academic highlight of the year was the seven day field trip through New England and Ontario conducted as part of the regional geology field course, while spectator plaudits go to the installation of continuously recorded weather maps and data, flashed by teletype to the new weatherfax machine, and shown on closed circuit TV in the Science I Building museum lobby. A new Secondary Earth Science program was pending faculty approval when the Yearbook went to press.

Biology Department

The Biology Department has a faculty group active in academic, research, and community affairs. There is a sincere interest in students and much participation with students in curricula and extra-curricular programs. The notable event of the year is the completion of our new field station in Cooperstown. The laboratory will permit intensive ecological study of Otsego Lake and the terrestrial site of 360 acres. Undergraduate and graduate students will have access to the research facilities.

1st row standing: William Wilson, William Bukovsan, William Butts, John New. **2nd row seated:** William Harman, Gary Holway, Madho Singh. **2nd row standing:** Jan-Kee Ang, Currie Mart, Leonard Sohacki, Bruce Dayton, David Barash, Carol Ryder, Wilbur Settle.

Science Education

The Science Education Department was established as a separate department as a result of organizational change taking place recently. A major responsibility of the staff in Science Education is the placement and supervision of student teachers in Early Secondary and Secondary programs.

During the summer of 1970 the Science Education Department cooperated with the Science Teachers Association of New York State in conducting a very successful workshop session for secondary school Earth Science teachers.

Frederick Riebessell, Jerry Shannon, Donald Russ, Emery Will.

Education

Douglas Bowles, George Voris, Howard Stapley. **Back row:** George Wetmore, Edward Tribe, John DeLaney.

William Cornwell, William Denton, M. Dennison Olmsted, Charles Reimer.

Sitting: Fran Fazio, Marie Schilling, Mary Schoenecker, Marjorie Hopkins, Barbera Stoebr. **Standing:** Dorathy Mahl, Hilan Gedney, Philip Pratico, Jon Loiacano, Williams Swain, Elizabeth Olmsted.

The education department has made considerable strides in a number of areas this year. These include expansion of the services of the Reading Center, the development of a program to help students with college-level study skills, and the remediation of reading difficulties and the expansion of the Learning Disabilities Center to provide services to local schools. The Department has also noted considerable growth in the development of programs for Liberal Arts college graduates and in counselor education. Looking towards the future the education department is currently exploring the possibilities of overseas programs, including opportunities for student teaching.

Chemistry

Introductory chemistry courses are also offered. All staff members hold the Ph.D. degree. The chemistry program is listed with other colleges and universities approved by the Committee on Professional Training of the American Chemical Society.

Physics

1st row: Charles Wang, John Maier, Reuben James, Kent Lawson, George Robinson, Douglas Fielder, Albert Read, Ralph Mollison.

The Physics Department goes into the development of a quality undergraduate program for both majors and non-major. New courses have been introduced and changes in the curriculum are being made. New apparatus, both elementary and advanced, is being acquired to facilitate laboratory instruction and research.

Bugbee School

1st row: Lois Shafer, Fran Bliven, Jean Leonard, Louise Belden, Diane Ian-Diorio. **2nd row:** Kenneth Kellerhouse, Dan Ticknor, Stan Syvertsen, Thomas Kurkjian, William Ackerson, Neil Foote, Donald Starkweather, Lyall Fletcher, Glen Martin (Principal).

The Campus School of State University College at Oneonta is located just east of Old Main on the lower campus. Students who are preparing to teach use the Campus School for observation, participation and some for student teaching. The school enrolls children from four years of age through the ninth grade.

1st row: Mary Knapp, Sonia Mullins, Madeline Berry, Freda Shultis, Helen Baldo, Margaret Sheffield. **2nd row:** Art Bradstreet, Harriet Haines, Dorlene More, Bob Gaffney, Catherine Gallagher, Sue Hickmott, Ron Magin, Keith McCarthy, Mary Jane McGowan.

The Figure in the Window

Kenneth Kulhawy

Plough and the Stars is a powerful expression of the emotional state of emasculated group of people caught in the vortex of an abortive revolt. It is highly topical in that it deals specifically with Dublin tenement dwellers during the fall 1915 of the famous Easter rebellion against British rule in Ireland. Those people and events and that setting carry much cultural baggage of religion, rhetoric etc. which add to the specificity of the play. However, the universality of the naturalistic treatment of the people and the situation of their interaction with political revolt keep O'Casey's play relevant to our time.

As to the production itself, we were treated once again to the jewel-like, false proscenium, box set masterpieces which make so many of Mask and Hammer's productions visual delights. This plus the costuming which complemented the sets excellently, with the flow of the blocking creating the sensation of a series of beautiful tableaux to be relished if only for sensual effect.

Among the supportive characters, Ellen Weisberger's Mollser and Judy Wirenius' Rosie Redmond stood out as examples of the evil fate of young women and children among oppressed poverty stricken people. Craig Schinn, Paul Murphy, John Seider, Robert Fuller, Harry Zimble, and Kenneth Kulhawy all handed in competent performances in the supportive roles.

Among the more prominent characters was shared

a tendency to perform rather too privately, so that much of the contentive aspect of the dialogue was lost, thus leaving the audience in the dark as to what the motivation for some action was.

In some respects the characterizations seemed, more like caricatures of "types" rather than creations of real people. For example, Sharon Hotz's Mrs. Gogan sticks in the mind as a rather matronly spring-loaded doll full of faith and begorra rather than as the personification of a pitiful shell of a human being so long exposed to death and disease that they are the focus of her life.

David Coon's Peter Flynn successfully came across as an ineffectual testy old man living through his fantasies. Mark Bussy as the young Covey flowed evenly through the play as the alienated pseudo-intellectual Marxist committed to nothing but his rhetorical jargon. Alice Donnelly's Bessie Burgess took a while to build up steam as the equally alienated but fully committed loyalist. Unfortunately, only her bitchiness showed in the early scenes but the character grew more rounded and convincing as the evening progressed.

Overall, the total production moved quite smoothly and meaningfully. Here let us add that all the cast, above and beyond performing in a competent way, did a herculean job of learning a very tough dialect and then characterizing the people.

Downstairs: soldiers (David Garnice, Gary Malone, Charles Jabbonsky).

Douglas Carver's Duncan was perhaps slightly irritable to solicit the almost universal love felt toward that "royal master", Mr. Carver none-the-less successfully conveyed the power and prestige of Duncan's "great office". Thomas Holowach's Malcolm provided in its youth, enthusiasm and idealism a useful contrast to the tyrant Macbeth, while Thomas Haines' Lennox and John Seider's Ross nicely flushed out by compliment and contrast the forces at work in the play which culminate in Macduff. Allen Pellenberg's Porter, while distracting by his somewhat too enthusiastic movements the audience's attention from his lines, effectively contrasted the deep irony of the drunkard's comic game. Constance McMahon convincingly handled the difficult part of Lady Macduff. Mary Illardo, Nancy Bihler, and Madeleine Faber provided three weird sisters very effectively.

On December 8 through the 12 Mask and Hammer presented a highly stylized production of William Shakespeare's *Macbeth*.

Among the supporting characters were Ronald Buxbaum, John McInerney, Alexander Smith, Richard Lloyd, John Bianco, Jeffrey Close, David Holumzer, Rosalind Vecchio, Kenneth Rouse, Arthur Merrill, William Goertemoeller, Wayne Benjamin, Charles Jabbonsky, Placido Impollonia, David Garnice and Gary Malone provided a competent and indispensable frame for the action of the play.

The powerful characterizations of Banquo and Macduff was provided by Roger Watkins and Bennett Siegel. Catherine Curtin played Lady Macbeth with sweetness and calmness. She made Macbeth's dependence upon her palpable and logical.

As Macbeth, Michael Marraffino, rose above his own personal tragedy to symbolize the general human tragedy.

For all in all the performance of *Macbeth* in Goodrich Theater was well executed.

The Black Hispanic Cultural Society presented three one act plays on February 12 and 13: "Contribution" by Ted Shine, "We Own the Night" by Jimmy Garnet, and "Everything Ought to be Black" by D. L. Scarborough.

All the plays were concerned with the life of a Black in the United States. The ability to project an entire culture feeling is difficult and often this was not transmitted with the vitality it de-

manded. Some of the more outstanding moments of the evening were in the dance in "Everything Ought to Be Black". The part of the grandmother by Josephine Finn was totally convincing, Sandra L. Gary and Claude Chaney in supporting roles made the production of "Contribution" very real. Tyrone Hargrove's performance as a dying black militant in "We Own the Night" was excellent.

Lead Balloon

February 19-20

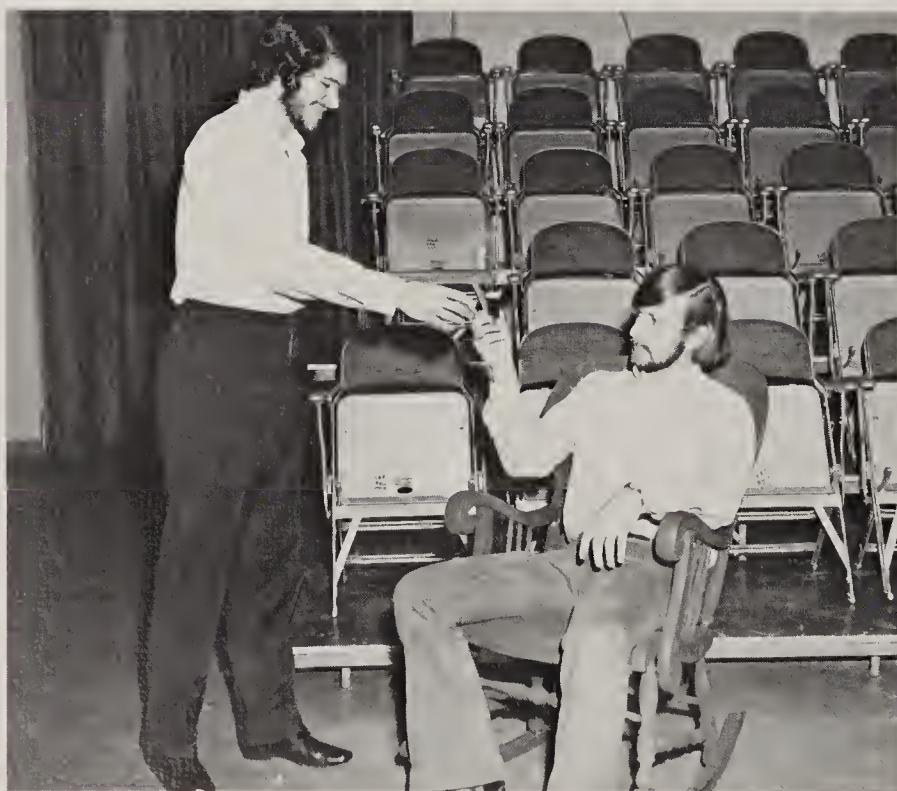

Mask and Hammer's Experimental Theatre presented a complete and felicitous account of the launching and embarkation of the first lead balloon. The "Lead Balloon" by Robert Wilder was a dramatization of short stories by Dos Passos, Collier, Buchwald, Malamud, Lindsay, Oates, and Hanley, with the story of the balloon intermittently performed throughout the entire production.

Basically, it was a play concerning the greed, the violence, the stupidity, and the innocence of man. Wilder painted a pretty ugly picture for us, in which we played main parts. Throughout the entire play a clown played beautifully by Bill Goertemoeller, begged the audience for some response to some of the ugliness which was being presented to us.

"Lead Balloon" ended with a glitter of hope for mankind. As each character dropped his symbol of existence into the balloon, acknowledging the existence of the clown and his torment, the balloon began to rise, with a sigh of thanks and relief from the audience.

To the cast and crew of "Lead Balloon" many thanks for a production that was not only technically satisfying, but also satisfying to the mind and heart.

College Camp Scenes . . .

Oneonta, Alma Mater,
Glorious is thy view;
We, thy children love thy honor,
Love thy purpose true.

Shout the name . . . 'tis Oneonta!
Loud her glories sing!
With her praises, all unnumbered,
Let the dear hills ring!

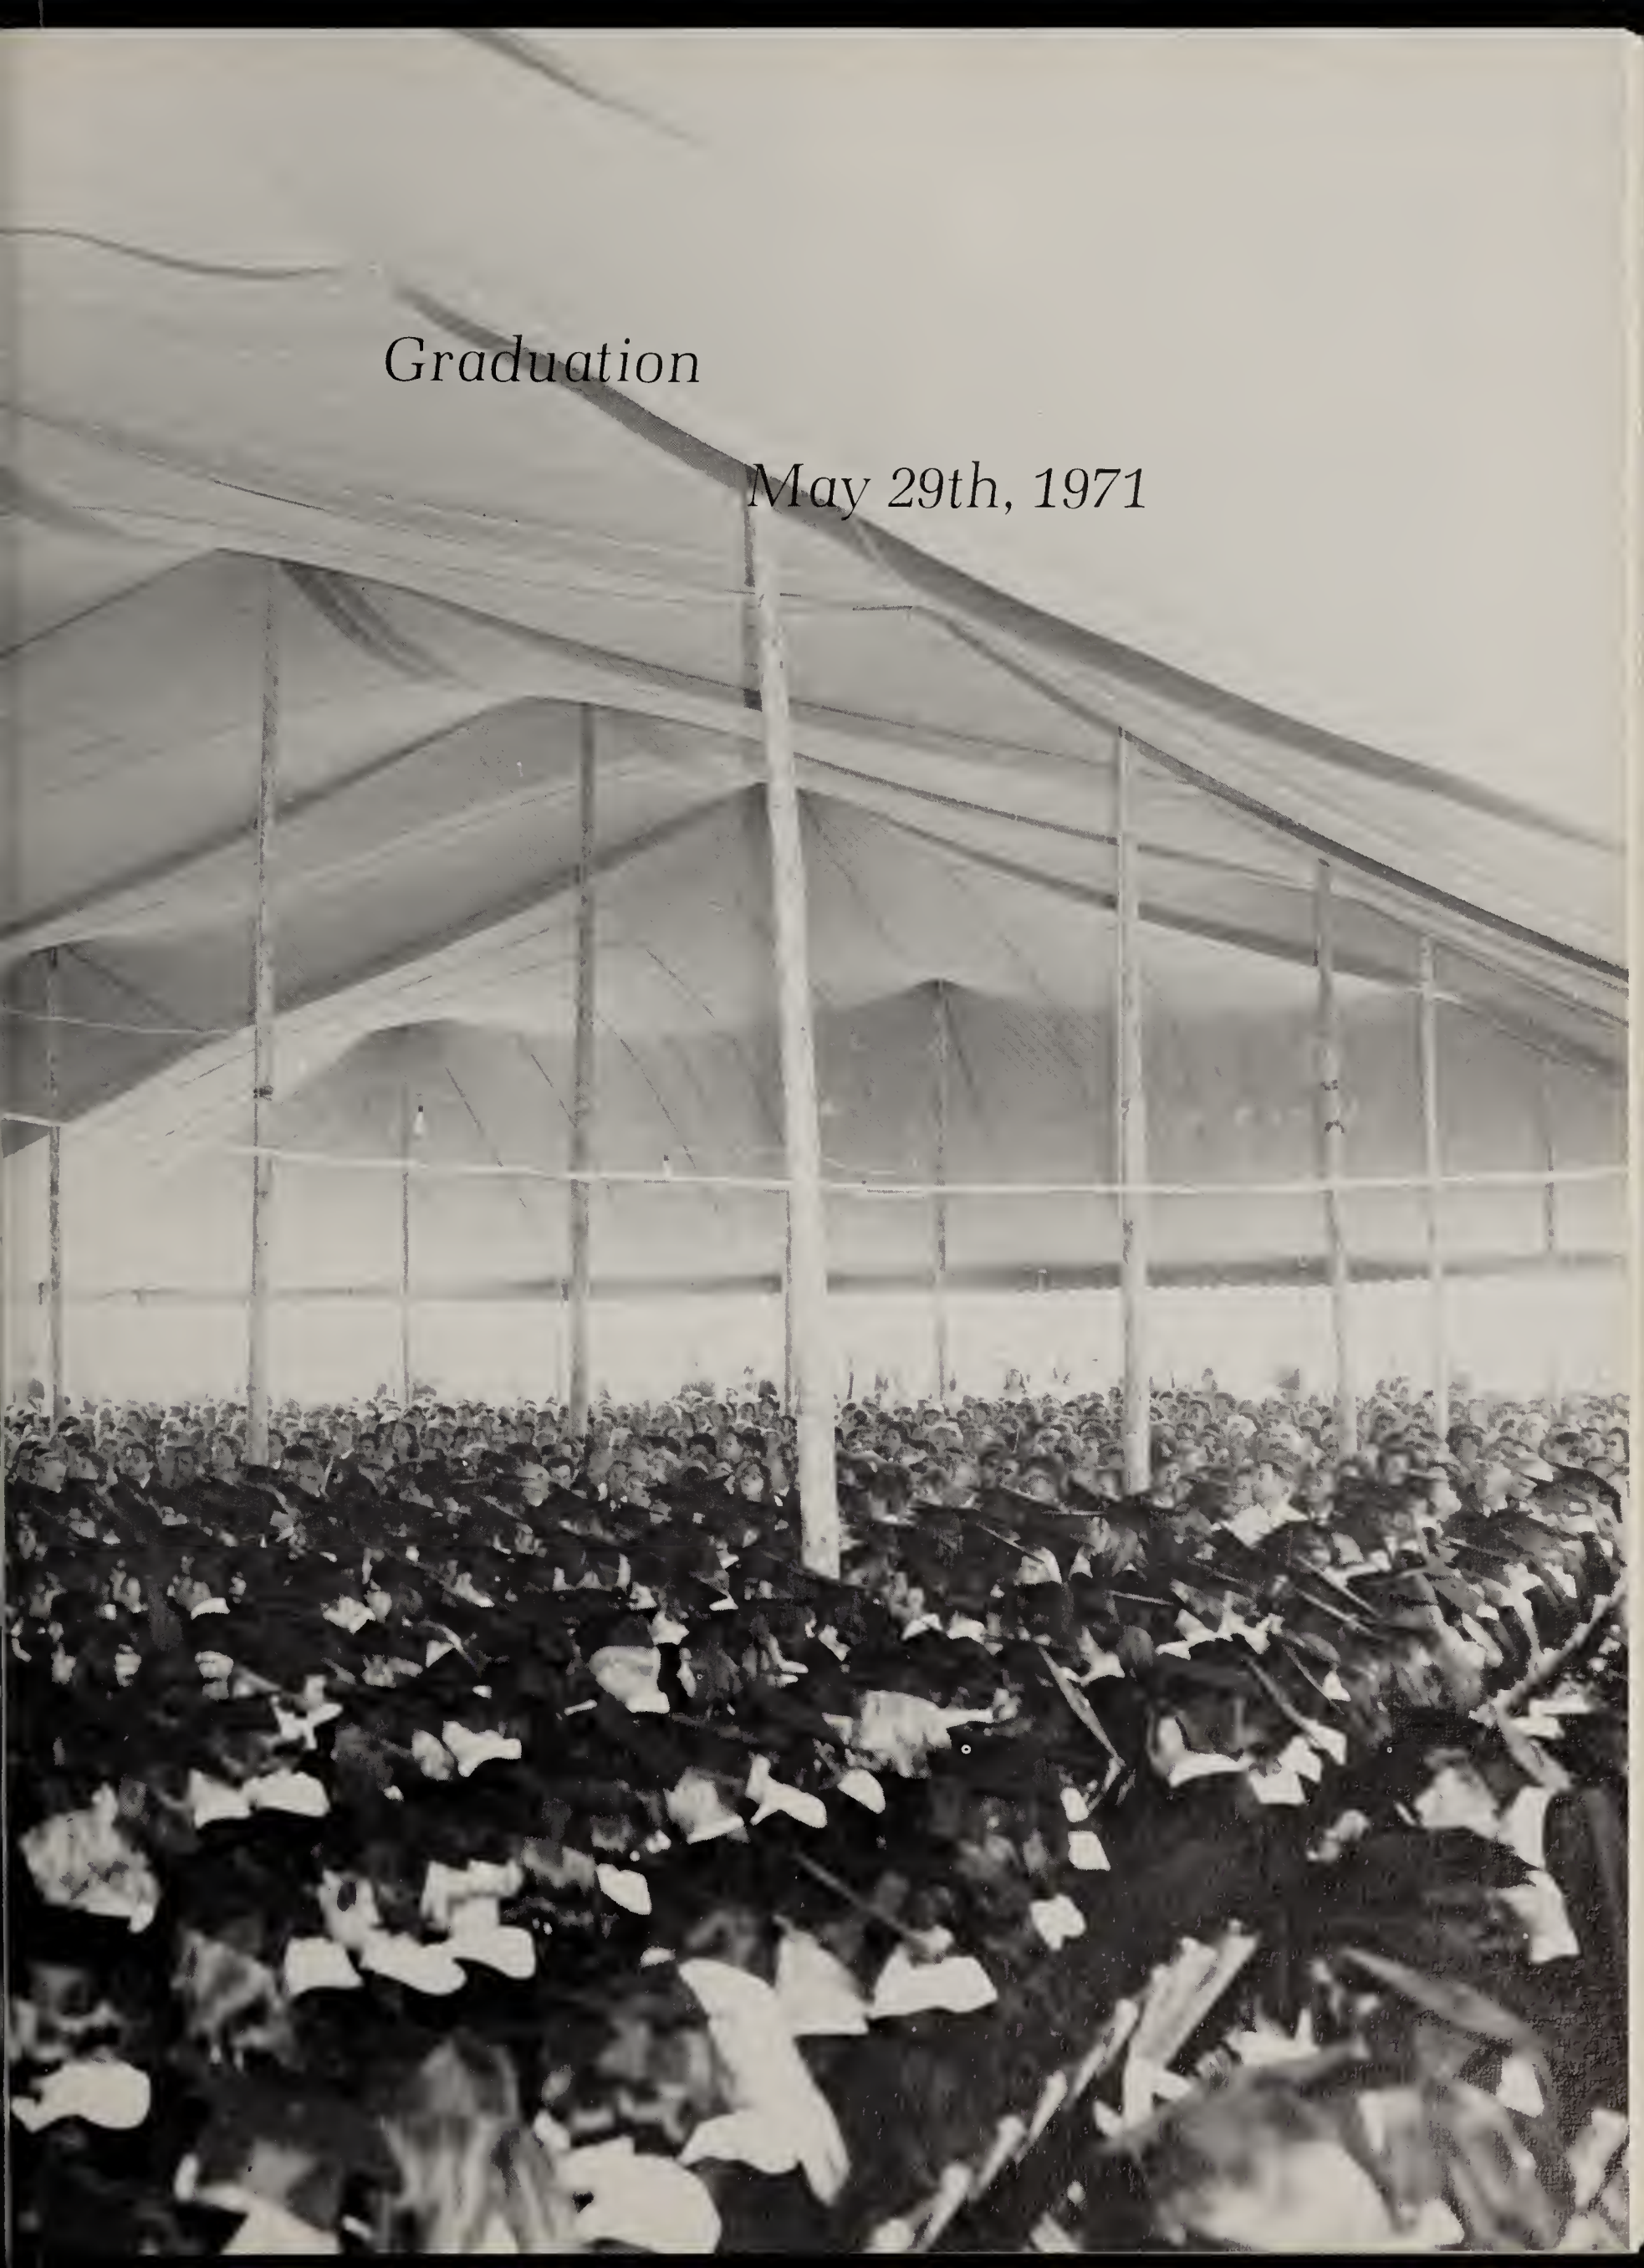

On the distant strengthening hilltops,
On the busy town,
On the pines and shifting shadows
Look we fondly down.

When the coming years shall part us
From thy fostering care,
We shall turn with fondest yearning
To thy halls so fair.

Phi Delta Rho

Phi Delta Rho attained recognition as a Greek Fraternity at SUCO in 1959. Since its beginning, the Brothers have worked to promote their four ideals: Brotherhood, Scholarship, Service, and Integrity, and these are evident in all of their achievements. The Fraternity participates in all social, scholastic, and athletic activities, and has always enjoyed participating in the various M.A.A. intramural sport events. The Jalbert Memorial Scholarship fund was begun to help needy SUCO students, and it has continued to grow to meet that purpose. Each year Phi Delta Rho Brothers work hard to attain the Scholarship Cup, once a three-year title of the Fraternity. The Brotherhood has also worked to promote strong relationships with the townspeople as well as within the campus. The Brothers will always be seen working within the framework of their ideals in order to gain respect and understanding of the Greek Fraternal organization.

Pi Delta Chi became a sorority on Oneonta's campus in October, 1960. It was founded on the basis of unity and eternal friendship. The purpose of Pi Chi is to foster among its sisters: honor, scholarship, integrity, loyalty, tolerance, cooperation, personal improvement, school spirit, and charity.

Now ten years later, in a new house, the sisters still maintain the same traditions. We participate in all Greek functions and organize Parents', Alumni and Date Weekends to enjoy with our relatives and friends. The work done for rushing, coffee hours, and our two money making projects every semester helps the girls work together and develop further understanding of each other. Our organization is primarily social, but we also work in Head Start, visit patients in Fox Memorial Hospital, and hold parties for orphans.

A 17 meet unbeaten streak was finally broken by Union College. The squad under direction of coaches John Hurley and Al Pastore, has had a 69-11-4 record since 1965 and is highly ranked in New York State. The team hosted the Upstate New York

Championship meet where they finished third out of 12, and also placed fourth in the SUNYAC meet.

The top two runners, Capt. Gene Foster and junior Dick Barthelmes, earned a trip to Chicago for the National Championships. Other valuable scorers included seniors Jim Moran and Jim Rapp, junior Jan Miller, and freshmen Ed Fuhrman, Gordon Nesbitt, and Tom King.

A lack of depth and a weakness in the freestyle sprints projected a gloomy season at the start but seniors Randy Magin, Keith Benjamin, and Bob Haenszel gave us enough scoring power to make it difficult for any team to defeat us. Three close wins, 2 by one point and the other by 4 changed what could have been a mediocre dual meet record to a very good one 10-2.

Keith Benjamin continued his outstanding performances by setting 4 conference records in the 200 yd., 500 yd., 1000 yd., and 1650 yd. freestyles. He was voted the Fulton Award for his four year contribution to swimming in the conference. Randy Magin broke the varsity record in the 200 yd. backstroke and qualified to swim in the championships.

Jan Miller made a successful transition from gymnastics to diving. He broke varsity records in the required and optional events.

The team closed out the season with a very successful 3rd place performance at the conference championships, only 2½ pts. out 2nd.

The outstanding freshman performance was by Rich Schubert in the 200 yd. butterfly. He placed 3rd in the conference championships with a fine time of 2:11.6.

Won 5 — Lost 5		
Overall		
Won 12 — Lost 11		

The Oneonta State Basketball team started the 1970-71 season with some of their toughest competition and as a consequence the young Dragons had a record of 2-6 in the early going. In January the team started to put it all together and won 10 out of the next 15 games.

The team was sparked by the scoring of Phil Meagley and the all around play of Co-capt. Joe Roberts. The rebounding was very adequately handled by Co-capt. Bob Evans, (Lone Senior) Skip Styles, and Don McLeod. The Defense was spearheaded by Monroe Hale with Larry Nowlin, and Mark Regin as strong replacements. The tallest member of the squad Larry Brenner along with Joe Finnegan saw limited action but they will return next year.

1st Row: Keith Kinna, Tom King, Sal Terrana, Curt Peterson, Chan Zwangic, Jim Melnicoff, Dennis Labarron. 2nd Row: Coach Sosa, Pat Schuler, Joe Keyser, Jim Meisner, Dennis Hoffman, Mark Walters, Larry Brown, Coach Elder.

Wrestlers Finish With Strong Season

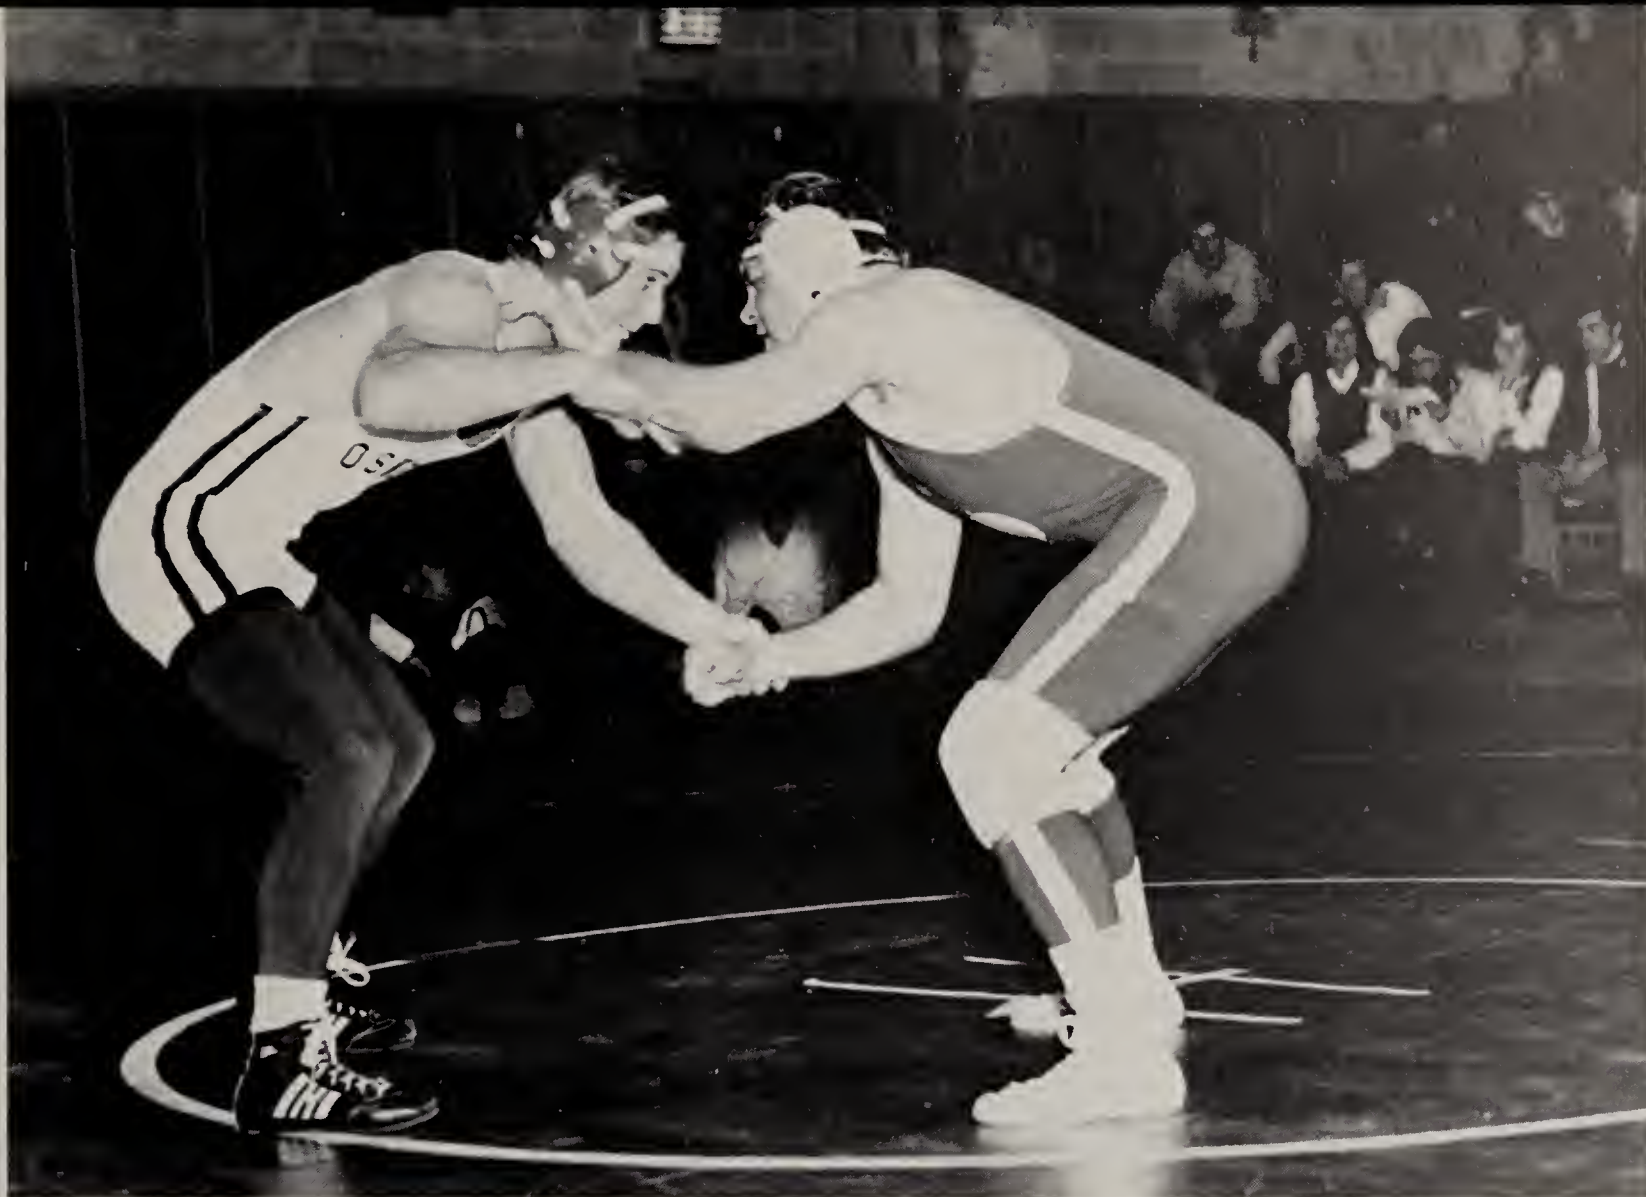

In November Coach Sosa had this to say about the coming 70-71 wrestling season, "I think we have good balance with the strongest line-up ever in the light weights. Even though our schedule is tougher and the team is younger, I expect to end up .500 or better in our dual matches and to surprise a lot of people in the conference."

This season will have to be considered a successful building year in light of the original expectations. The Dragons posted a 6 and 8 dual meet record. Slightly under the .500 mark; but as it turned out 4 of the 8 meets lost were by the difference one bout score and three out of the four were lost to forfeits in one or more bouts, due to lack of depth.

With the exception of senior Pat Schuler, this year's team is the embryo of what's to come during the next four years. Watch out SUNYAC!

In either case, leading the way this year were Pat Schuler, champ at 177; Dennis Hoffman, undefeated in conference competition; and Sal Terrana.

All around man Ed Maher was highest scorer with 292.60 points and an average single performance score of 4.88. Don Lindboe, also working all around, was 2nd highest scorer with 206.25 pts. and an average performance score of 5.16. Rick Bunde, who worked Side Horse, Still Rings and Parallel Bars, totaled 196.20 points and averaged 6.54 pts. per performance. In the 3rd Annual North Atlantic Gymnastics League Championships, the Red Dragons placed 7th with 96.75 pts. L.I.U. repeated as team champions with 134.85 pts.

Rick Bunde was the lone Dragon placing in the Individual Events. He won the Parallel Bar Championship with a score of 16.35 (combined preliminary and final score based on 10 pts. maximum). Rick had the misfortune to be edged out of 1st place in the still rings by .05 of a point and he placed 2nd with a score of 16.00 pts.

Rick Bunde . . . A cross on the still rings

Don Lindbee . . . A stoop vault over the long horse

A flank vault over the horizontal bar . . . Jack Milchanowski

What began as the makings of another good season quickly turned into a difficult one due to more than 50% of the men dropping from the squad. This left the team with 5 competitors that had to fill in many of the slots left open, averaging about four events per man.

The '70 Baseball Dragons also posted the best season record in the history of baseball at Oneonta with a 20-4-1 record.

Four players made the All-Conference Baseball Team: Don Albin — pitcher, Ilion, N. Y.; Gordie Costa — 3rd base, Corning, N. Y.; Irv Soden — 1st base, Deposit, N. Y. and John Wilhelm — outfield, Catskill, N. Y.

Don Albin was named to the Topps All-Star baseball team from section VIII as a pitcher. Don also finished second in the nation in college division ERA for pitchers with an ERA of 0.47 in 8 games.

This year the Dragons should again field an exciting, hustling baseball team led by Co-captains Mike Baran, senior short stop from North Babylon, and Jeff Bry, Junior catcher from Schenectady.

Upstate New York Championships
Oneonta placed 7th out of 13 colleges participating

Most valuable player awards were given to Seniors
Pete Dorn and Bill Young.

The 1970 Spring Track Season began with pre-meet dedication ceremonies, attended by President Netzer and Dr. Chase.

Spirit was high in the field during the meets and seemed to carry throughout the entire season, as the squad finished with five wins and two losses. All of the Track and Field Records, except for the one-mile run and the discus throw, were broken and re-established. The season also records such highlights as junior Gene Foster capturing the Upstate New York Championship half-mile race in a fine time of 1:56.4; senior Pete Dorn breaking his own records in the 100 and 220 with times of 10.0 and 21.8 respectively; junior Larry Harlowe tossing the javelin to a new school record of 157'8"; junior Sam Tornatore establishing new marks in the 120 High Hurdles, triple jump and part of the record setting 440 yard relay team; and freshman Ed Leone setting a new Oneonta record in the 440 with a time of 50.9.

Next season shows an increase of scheduled competition and a fine flight of freshmen runners and field events men on the way. Varsity returnees include 22 men as the team loses Seniors Pete Dorn, Bill Young, Bill Monser, and Bob Rau.

1st row: Bill Monser, Bob Crowther, Bob Dell, Larry Harlowe, Ed Leone, Sam Tornatore, Bill Rosenberger, Bill Collins, Skip McNiven. **2nd row:** Joe Katanik, Pete Dorn, Rod Dirig, Dave Stahl, Jeff Kulins, Greg Holman, Chuck Hoyle, Bob Zakel, Coach Fodero. **3rd row:** Coach Ball, Coach Pastore, Sam Gunderman, Bill Young, Gene Foster, Jim Sheshane, Bob Rau, Glen Kaviar, Scott Rolseth, Jim Moran, Tom Reilly, John Gallo, Mgr. Tennis Wins Conference Championship

The tennis team finished another successful season with a record of 9 wins and 1 loss; the loss being to the Metropolitan Champs Brooklyn College by a score of 5-4.

The team won the New York State Conference Championship by sweeping through their opponents by an overwhelming margin. Oneonta State captured all of the singles titles except the 1 st. singles.

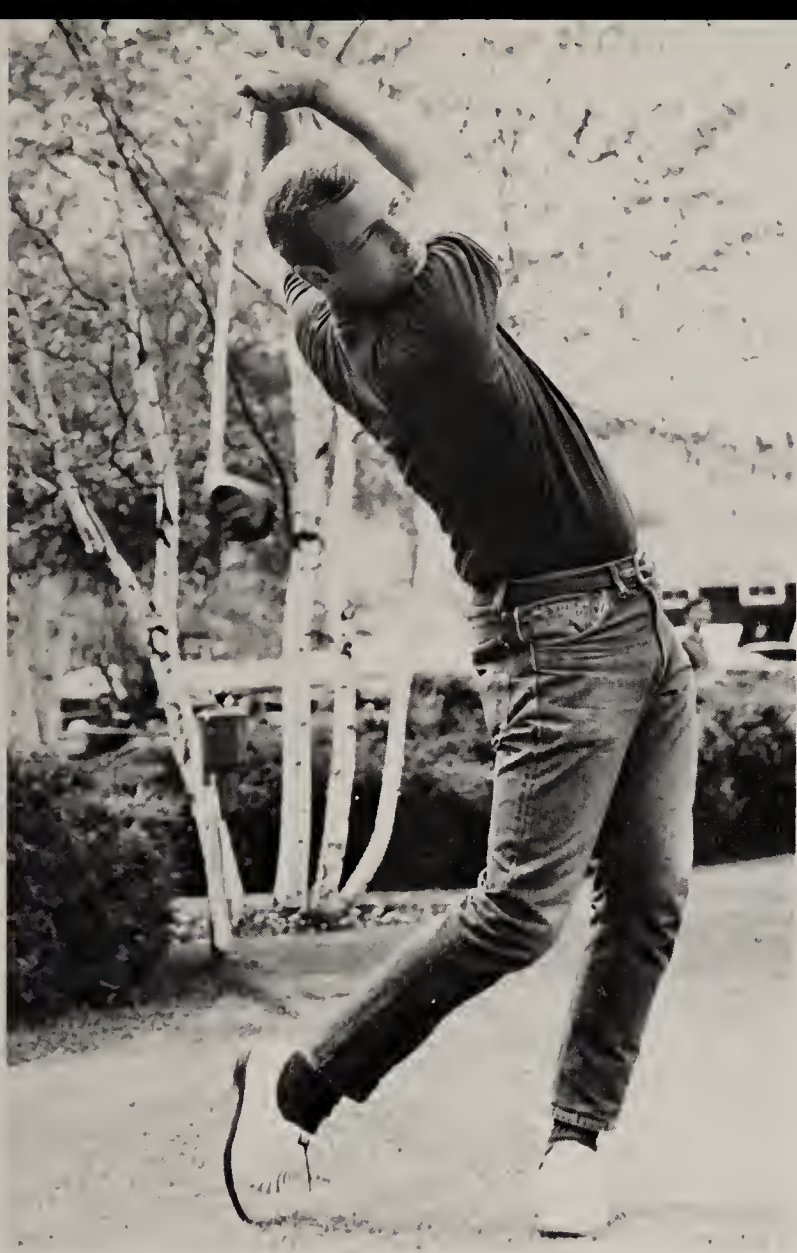

The culmination of the season was a strong third place finish at the N.C.A.A. Atlantic Coast Regional Championships.

Badminton Team

Carolyn VanVranken, Liz Foster, Iris Murphy, Linda Beams, Janice Nikifor, Donna Nidds, Bonnie Davidson, Gloria Lekki (coach).

Oneonta's Badminton Team posted a winning season — 2 wins, 1 loss. The loss was in the initial match at Cortland. Our girls came back strong when they defeated Cortland in a re-match on the home courts. The other victory was a smashing 5-0 win over the team from Brockport.

The team was invited to play this year in the DGWS National Intercollegiate Badminton Championships held in Philadelphia in February.

1st row: Co-captains Marti Townley, Janice Nikifor. **2nd row:** Connie Maynard, Mary Bente, Leslie Schuster, Phyllis Thomas, Angela Canino, Terry Pfifferling. **3rd row:** Carolyn VanVranken, Alice Carpenter, Pat Sounders, Karen Graves, Debbie Stuldreher, Judy Kinns, Ann Austin, Coach Blodgett.

Hockey Team

The field hockey team had a very successful 4-3-1 season this year. The improved record over last year is even more impressive considering 50% of the games were played in the rain. The team was led by the new coach, Miss Barbara Blodgett, and co-captains Janice Nikifor and Marti Townley.

Most valuable players elected by the team were full back Janice Nikifor and center Debbie Stuldreher.

State's Mermaids 1970-71 season started with optimism and enthusiasm but the sights were lowered as the season progressed. However, the enthusiasm is live, the depth for a strong '72 team is established; this ingredient mixed with the undefeated spirit consisting of sincerity, ambition and native ability forecasts an understanding team for the State's Mermaids in 1972.

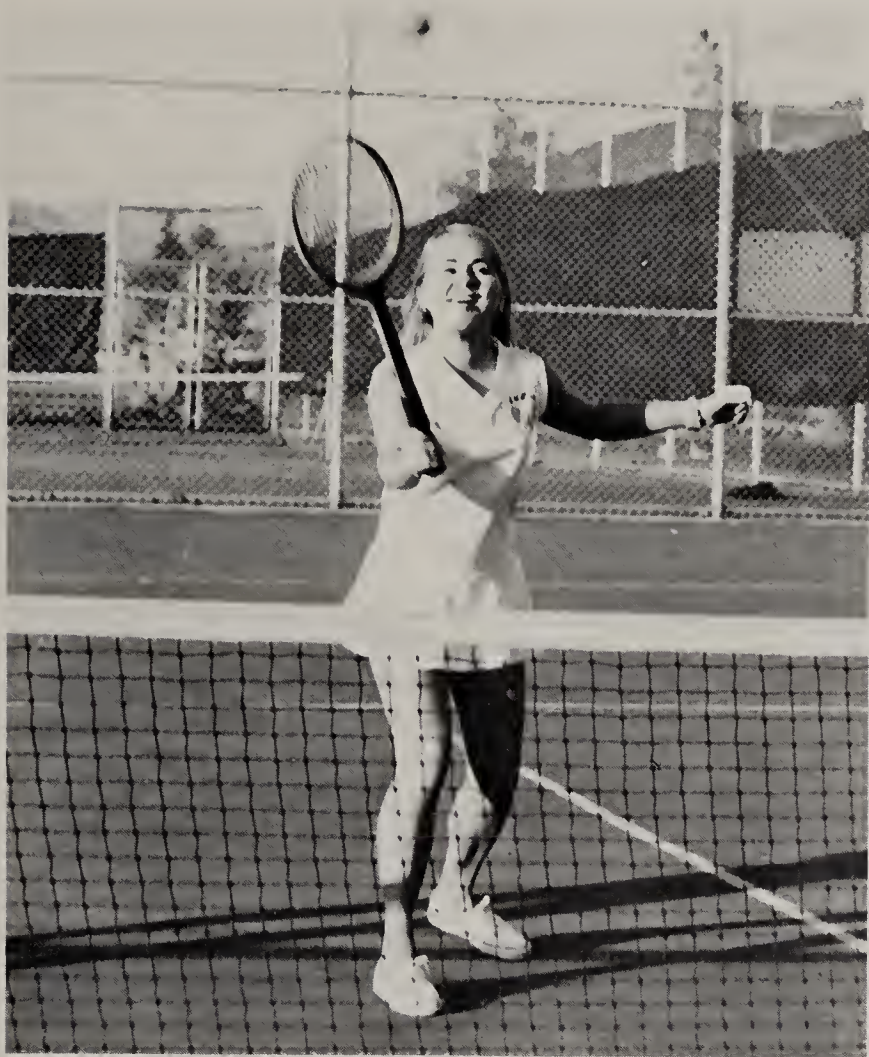

Women's Softball Team

1st Row: Rae Wright, Elaine Sortino, Coby Ckork, Nancy Frisch, Gail Rubenstein, Pat Condon, Debbie Strhledreher, Linda Scherier. **2nd Row:** Chris Thrane, Renee Peck, Kathy Pealy, Debbie Dyer, Alice Carpenter, Linda Helfish, Miss Cronk.

The women's softball team had an exciting and rewarding season. Although the schedule was not large the team had ample opportunity to play. One of the closest contests was against Cortland State.

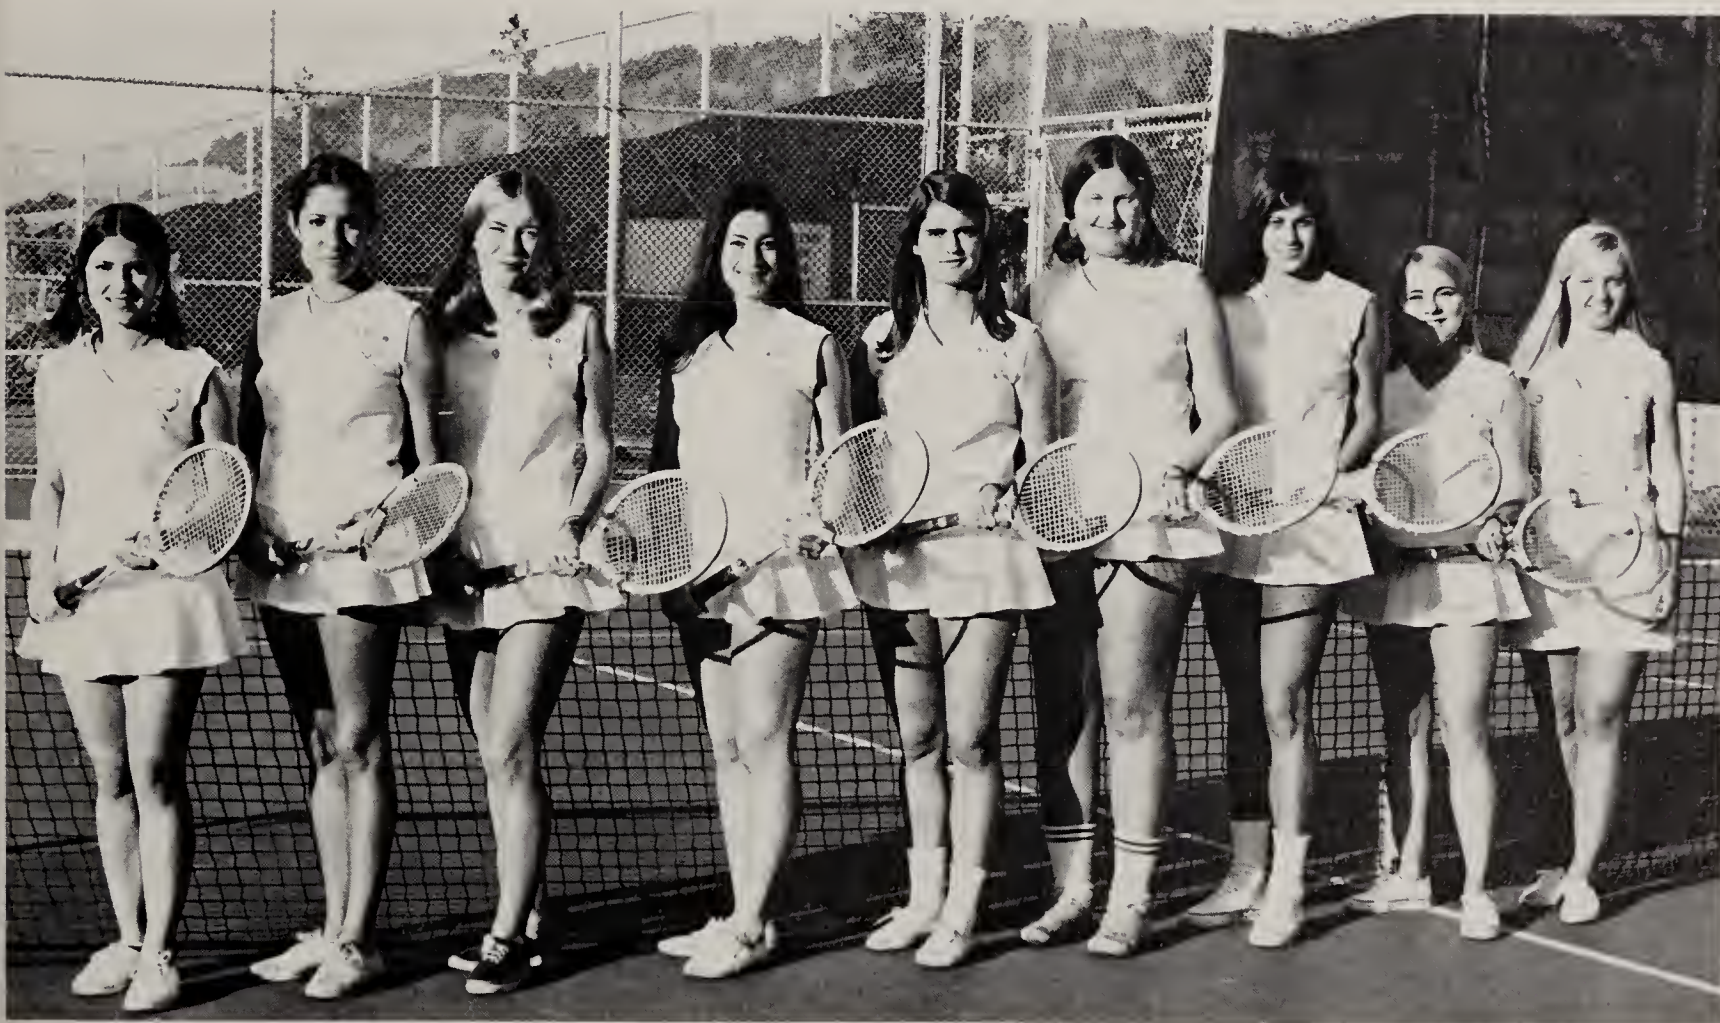

This year the team looks for more games and an enthusiastic returning squad.

Women's Tennis Team

The team improved throughout the season rebounding from earlier losses to Potsdam and Cortland to overcome. Mohawk (2-1) and tied Harpur (2-2-1). Linda Hilley and Joyce Tucker represented the team at the Eastern Collegiate Tennis Tournament held at New Paltz in October.

Left to Right: Barbara Saudo, Marcia Weiss, Carol Johnson, Shelley Dubick, Linda Hilley, Susan Balinsky, Karen Buscemi, Janet Wonka, Gloria Lekki — Coach.

1st Row: Elaine Sortino, Linda Walter, Ro Sorensen, Chris Fitzpatrick, Gerri Faulkner, Lucinda VanVredenburg. **2nd Row:** Carol Blazina — Coach, Marion Rogner, Lynn Manna, Rene Peck, Pam Peden.

Volleyball Team Fourth in State

The Oneonta Varsity Volleyball Team's second year in competition returned some great rewards for the girls. The team's record was 5-3 with a win over Cortland and upsetting such schools as New Paltz, Oswego, Harpur, Mohawk. During the State Tournament Oneonta returned a big favor to Ithaca by defeating Ithaca and placing Oneonta in the quarter finals. Oneonta having beaten Cortland earlier in the season, felt a hard loss when Cortland went on to take first place.

For the rest of the year the girls are going to play as independents in W.S.V.B.A.

1st row: Mary Bente, Patty Paone, Nancy Frish, Susan Warren **2nd row:** Dr. Kingsley, Elaine Sortino, Linda Helfrich, Chris Hamill, Linda Beams, Alice "Sam" Carpenter, Kathy Rauley.

Varsity Basketball

The Women's Varsity Basketball Team of 1971 was characterized by height and shooting ability.

The J.V. Team this year is made up of girls who have never played intercollegiate basketball before. After many long tedious weeks of learning and practicing the basics of basketball, the team has developed into a very compatible, coordinated group. With each game, the girls are developing self-confidence and poise. Jeanne Erickson was elected as the team's most valuable player.

Campus Life

We are dreamers in the midst of life

For in our slumber we do not sleep . . .

. . . We wait

As Oneonta greets a new dawn
we watch the coming of the day.

Dreams

of

night

are shattered,

or held in secret contemplation.

Perhaps the day will be uneventful,
bringing despair to some.

But others will discover
a new kind of happiness.

Here we must watch over one another.

We must be as if we are one.

We walk as
faceless
shadows
in the
morning
light . . .

Until a sudden “hi”
or a gathering of
friends
brings us to life,
and we respond.

It is often difficult to determine which subject requires more perseverance, tolerating meals or digesting knowledge, both supply food for thought.

And sometimes, when
we are alone, we find
ourselves thinking of
home, friends, and
being somewhere
else;
often, a place we've
never seen.

Receiving mail from
someone, here or
there, is often the
most awaited part of
the day.

Someone thinks of
you in your
absence.
Someone cares.

Oneontans also share
in the discovery
of infinite
friendships.
Friends that we can
Live with . . .
Share with . . .

. . . Cry with . . .
Laugh with . . .

... Depend on ...
Confide in ...

Go with ...
Stay with ...

... and love

Spring brought
dreams of
peace, but the
quad is empty
now.
Change has
come
some good,
some bad.

We haven't
forgotten.

But, then again, we
must bear change.
Those of us who are
leaving now can
recall
a different S.U.C.O.
This change
is inevitable,
even for
Oneonta.

And who can
forget the feel of
the water in the
pond,
cooling hot feet
on a warm
spring day.

When the weekend comes
Some of us get away
for a while to see our
families, a neighboring
college, or some friends
stuck way out in the
Midwest somewhere.
It's good to get away
from the books for a
couple of days.

Some of us decide to
stick it out.
It's really pretty good
to get together with
some friends and have
a ball.

Up in the room . . .

... Or Downtown

Our purpose for being here is to get an education, to learn to open our minds. This is accomplished both in and out of the classroom.

We've learned
a lot.
But most
importantly . . .

To Express with
emotion,
whether she be
your lover
or he your
friend . . .

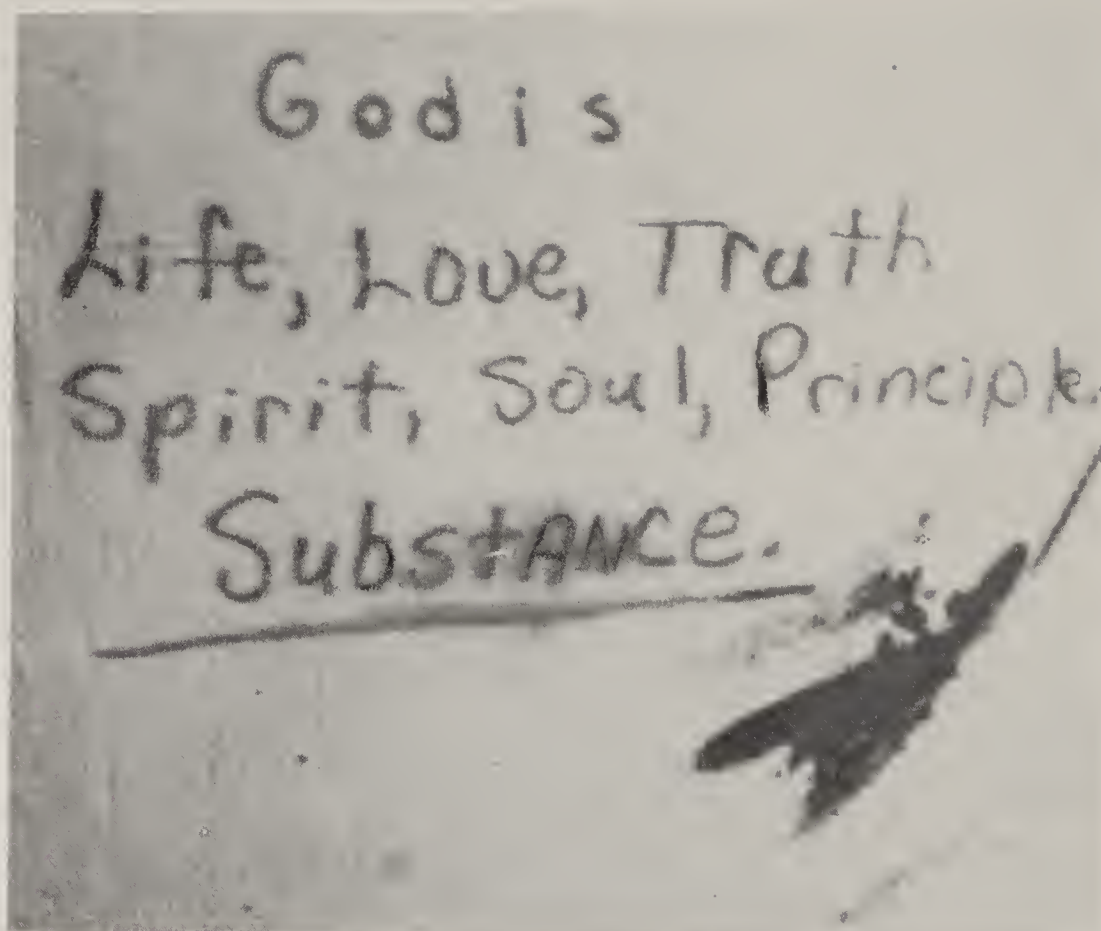

. . . Is the beauty
of love.

Learn to be free . . .

. . . Feel

... And Man

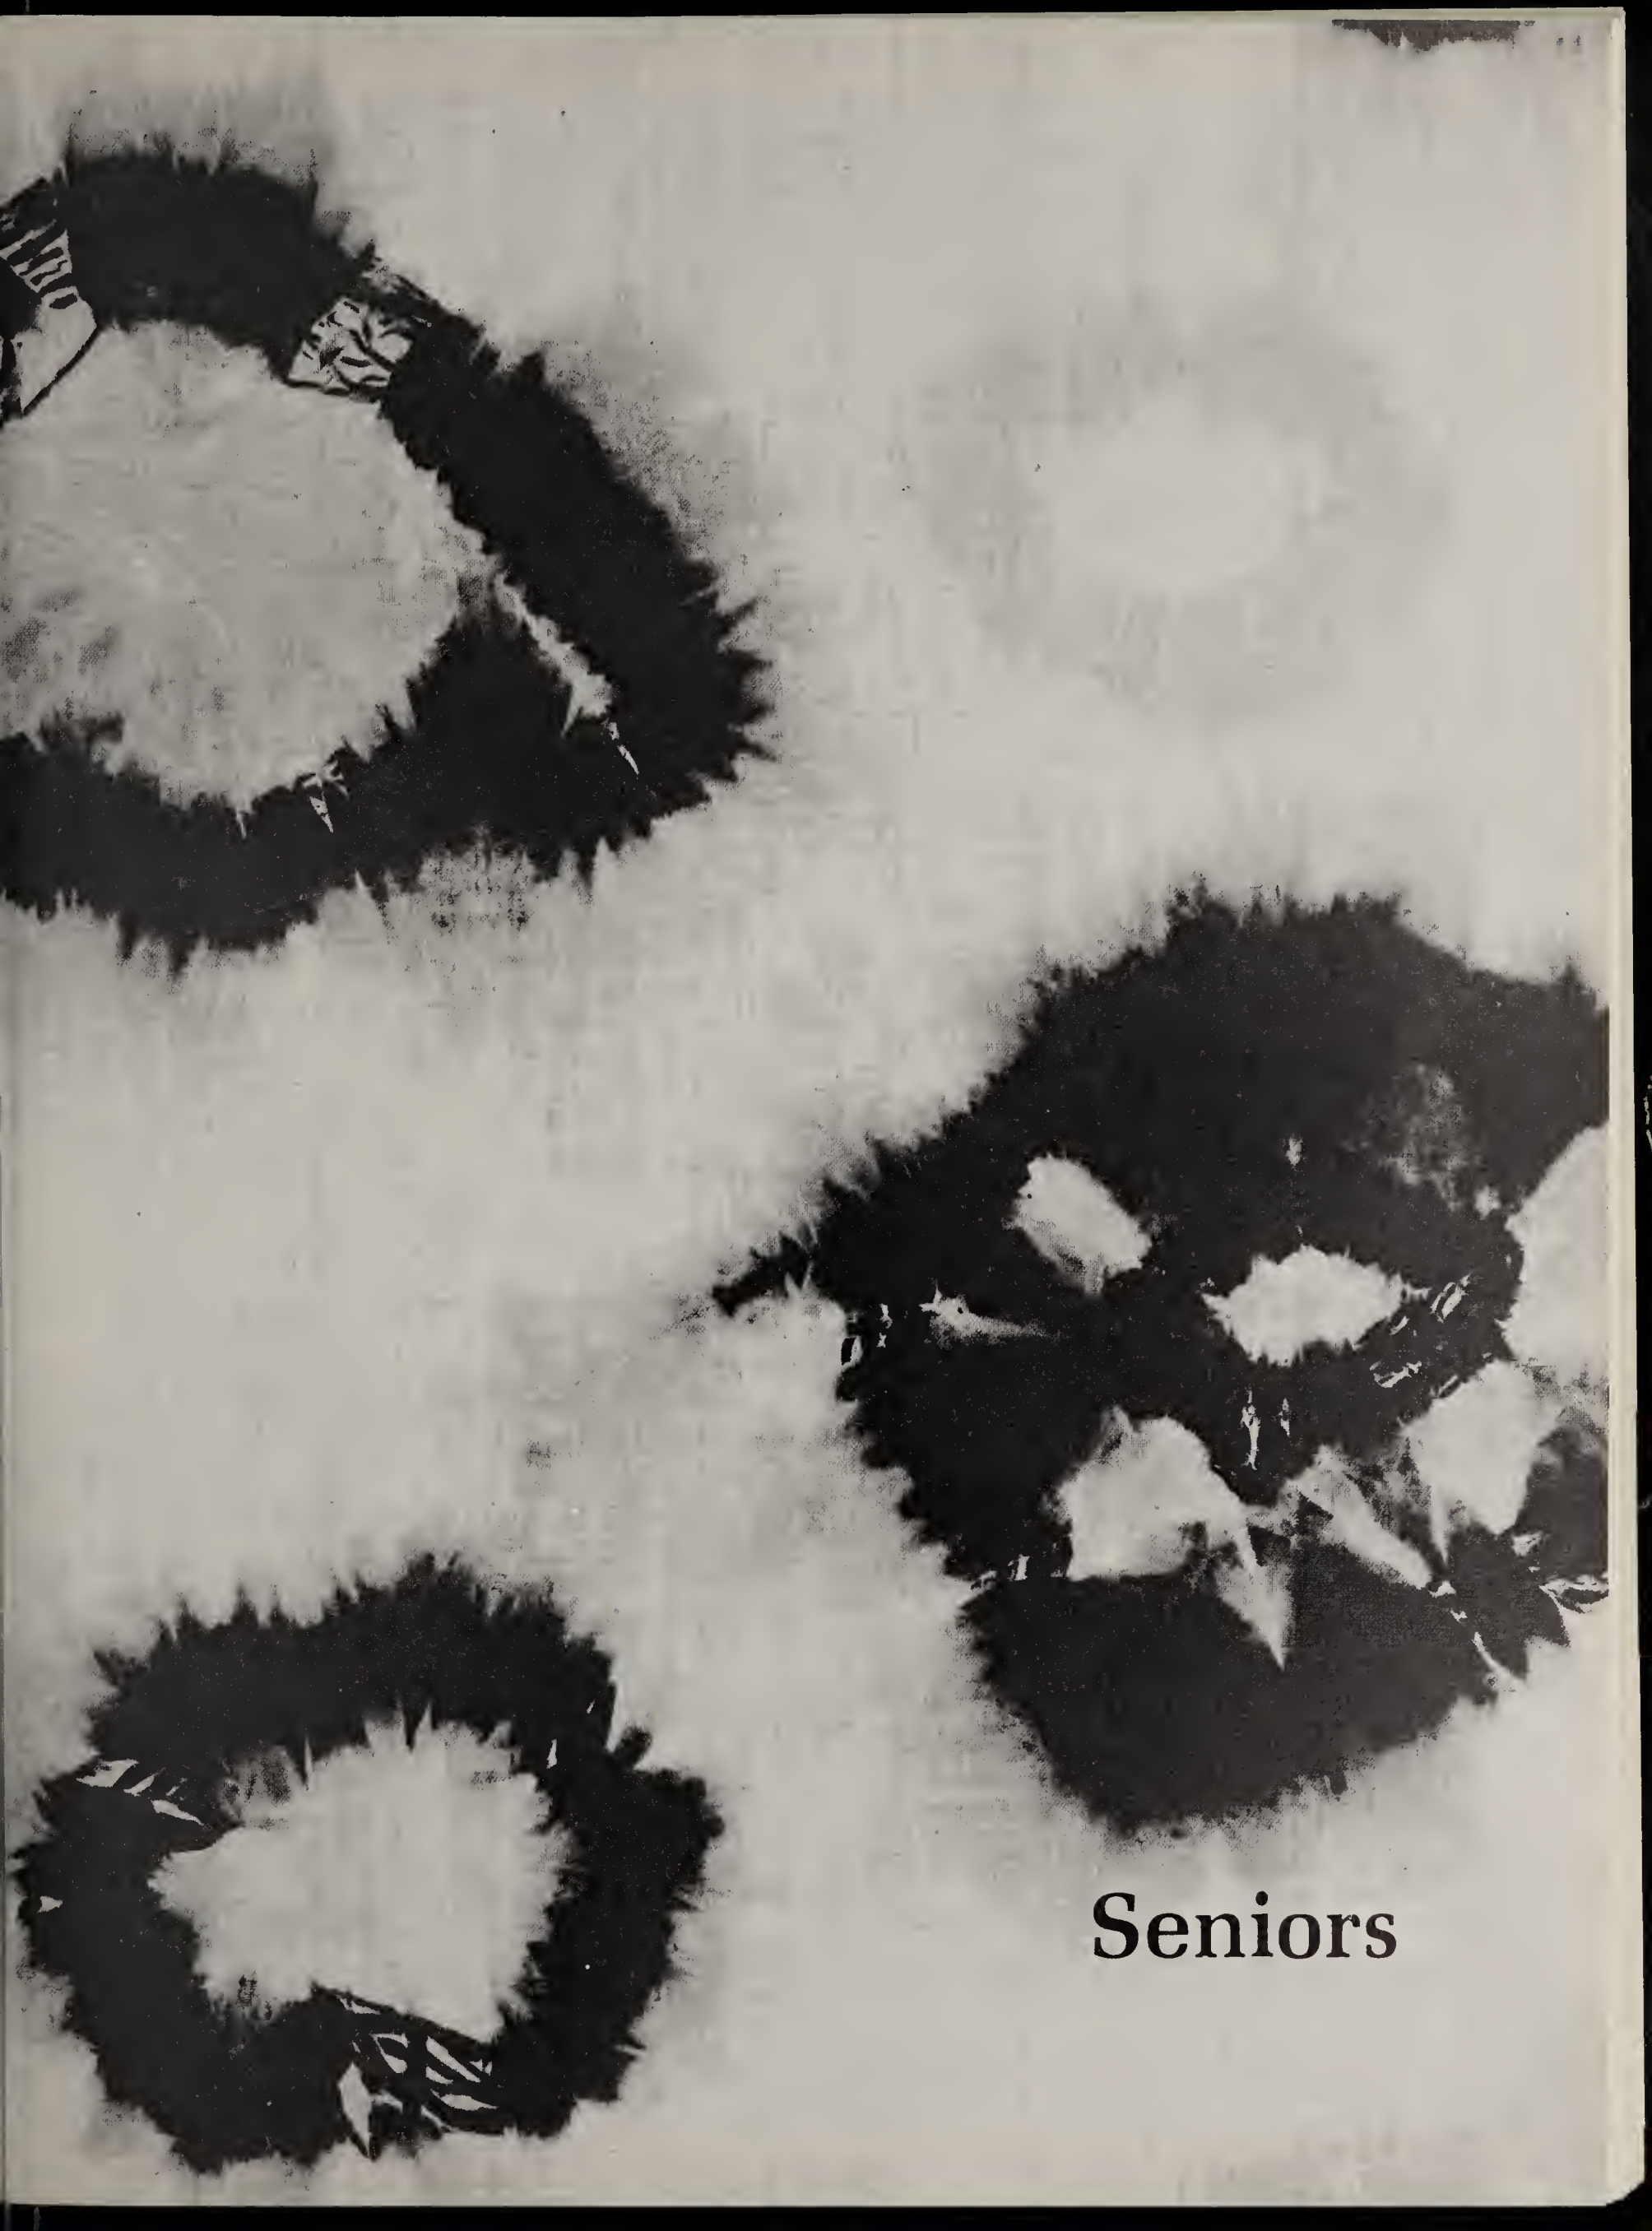

So much has
happened,
so much has
changed,
so much to leave
behind
so easy to carry
along . . .

Proposed Student Union

May 15th, 1971

As these last days approach many questions have gone through our minds; what did we set out to do and have we accomplished what we intended?

Today's stress is placed on individuality where everybody strives to do their own thing. We know that this book can only reflect a minimum amount of each person's individuality. In whatever small way this book helps you reflect on your life here at SUCO then we have accomplished one of our goals.

Each event this year has affected each and every one of us in some way. Now that it's time to leave and we go on our own separate ways, we wish that each one of you can find what you have been striving for during your four years at Oneonta.

We'd like to wish you luck in everything you attempt to do.

Best Wishes,

Lana Bayser
Olga Danilatie
